INTRODUCTION

The Glory to Most Holy and Most Powerful Divine Providence of the Lord God Almighty!

Dear flowers of God and children of Goddess Earth, please, to read this important publication of innovation with special attention. Just now we present to you a modern theory of hope, cheer, progress and prosperity, a theory of global peace and paradise.

Lets a modern theory to become a new way of life among nations upon Earth.

Recent our world-wide civilization is imperfect, false and brutal.

Till now humanity exist under organized banditizm of ungodly hegemony of fraud, siege, robbery, enslavement, crippling and destroying of nation by terror, starvation, russification, bloody revolution and mortal wars. Down bestiality on our planet! Save planet and humanity!

Without terrible recent reality of fraud, siege, robbery, terror, starvation, enslavement and destroying of nations, the world can be in a much better condition (shape) and life can be a great.

Mankind suppose strive to build up an paradise on Earth, not a hell.

Recent oftentimes of Earthquakes is a Divine Sign that our Supernal Holy Planet Earth and Godsnature unsatisfid, with recent ungodly brutality upon Earth.

Too-oldfashioned, rotten and a dying custom of preold concept of humans worlds-view delayed progress of advancement of global civilization of mankind.

Recent civilization of organized banditizm of ungodly hegemony contained chaos, turmoils, and hellish calamitys of law — against — law, sect — against — sect, religion —

against — religion, organization — against — organization, and nation — against — nation. Oh, hell!

Too-many of imperfect and different preold-fashioned religious and ungodly organizations is a main cause of freud, turmoils, conflicts and mortal millitary calamitys among nations upon Earth.

All religions of too-oldfashioned human concept of worlds-view is now absolutely out-of-date.

Trusting and praying to mortal "Holy Monkey", „Holy Cows", Saint Budda, Moses, Jesus, Krishna... is hopelisy wrong, and selfraud of a vain hope.

Down hellish bestiality, fraud and fornication! A main requirement of the present time is to advance recent global civilization and huamns conception of worlds-view.

Let to make the our Planet a better place to live.

For uplifting of humans opinion and omniscience about God, for international harmonic religious brotherhood with modernization and adoption of religion to recent demand of circumstances and time, for stability, progress, peace, and much better remedy of prosperity and grandeur sake, in the Name of Most Holy Cosmic Divine Providence of the Lord God — the Creator of our harmonical solar complex, in the name of supernal Holy Divine Planet Earth — the Godschild, the Lambkin of Supernal Holy countless immortal Divine flock of Cosmos, plus in the Name of Supernal Holy Omnipresence and Omniactivity of immortal Godsnature we now present to mankind brand new excelent scientific truthful theory of the Absolutely international religion, which contain modern concept of the worlds-cosmic point of huamns view.

The real rulers of our planet is those, who createt up Earth.

According to the Absolutely international religion, besides of our harmonical solar system, Cosmos contain some more solaric and others systems with cosmosoghets inhabited by Divine creatures of average age of millionths times longer, than average humans age on Planet Earth. Cosmos contain Gods-computers of control of Cosmos, and many others mysteries still unknown to mankind.

Cosmos contain very big mystery.

All planets and so on is real and true children of God.

All nations upon Godchild Goddess Earth is real and true flowers of God, and children of their Mamma Goddess Earth.

Too-old biblical legend about human beings, Jesus Christ, is a child of God is very nasty fraud, dirty lie, and fornication.

It is very preold biblical wrong and very low idea about God, that God Himself was so poor and pitiable, because he created one child only for Himself, and His only one child, Jesus Christ, was crucifixioned up by Jews. Oh, how big misery of lie, shame, and blasphemy?!

Down fraud and profanity!

Jesus Christ was born up by woman, Mary, and he didn't born up by God, like our Planet Earth done.

Jesus Christ was real and true a child (son) of a woman, Mary, like blessed by God a godsflower on Earth.

Mortality of Jesus Christ is a best evidence that he was not son of God, because the Lord God and His children — Planet and so on is immortal.

All too-oldfashioned human creation of defects and imperfection will be swepted of by progress of humanity and time.

Let to ask everybody and all: — why born up (created) by God our native Mamma Earth till now haven't validity (respect) of mankind like a supernal Holy Divine a child of God? — where is common sense, real understanding, and thankfulness of mankind? It is why human life fallen to low, fallen to Cobalto-atomo-hidrats, gas, bacteries, fallen to hell-commune on Earth.

For truth and progress Sake, ask everybody and all: Who is more impertant to Mankind, whether born up by woman mortal Jesus Christ, or born up by Most Holy and most powerful Cosmic Divine Providence of the Lord God — our immortal Goddess Earth? By such guestion can be recognized senseless and sensible peoples on Earth. Without "Holy monkey", „Holy cows", mortal Saint Budda, Moses, Christ, Kri-

shna . . . Mankind can happily live for ever and ever, but without of immortal planet Earth will be no life — empty nothingness.

So many human generations already used all blessing of Goddess Earth, and in the end all go to eternal rest into Earth, and finally everybody transformed themselves into Earth too, like wild thankless parasites — who for so many millenarian years ungratefully even didn't created any international holiday upon nations on Earth for their Mamma — immortal Goddess Earth.

Oh, so big woe and disgrace!

Why mankind till now offend Earth?

What does that happen with mankind?

No excuse for, because on Earth now exist 2 holidays (Easter and Christmas) for mortal Jesus Christ, and no holiday for really a child of God — immortal Goddess Earth.

Fornication, fornication, and once more fornication!

Our beautiful Goddess Earth is a most merciful and graceful Mamma for all nations.

Pretty high speed of eternal rotation of our Divine Planet is a best evidence that our Goddess Earth is alive.

By doors of hell of cobalto-atomo-hidrats, gas, bacteries, and concentration camp, hell-kommune, on Earth, we apply for common sense and well-understanding of mankind for support realization of the modern Absolutely international Religion, and then for sure most Holy Supernal Cosmic immortal Trinity of the Lord God, Goddess Earth and Godsnature — will deliver a blessing of really great life (an paradise) to all nations upon Earth.

Emblem of the modern Absolutely international Religion suppose to be a fair Cross on the bosom of Earth. The Cross is a biggest symbol on Earth, because Cross contain crossing of Gods wish with destiny of mankind, who born up by Earth, and shall be returned back into Earth.

All nations suppose to bear one fair Cross — Religion on Earth.

Every system of state regime can be spoiled to wrong-one, and can be advanced to Right-one.

According to the modern international Religion all nations suppose heartily and willingly to love, respect, trust and praying:

1) to the Cosmic Most Holy and Most Powerful Divine Providence of the Lord God — the Creator of our harmonical solar systems;

2) to born up by Almighty God — Goddess Earth, the Lambkin of supernal Holy Cosmic countless immortal Divine flock of Cosmos;

3) to the supernal Holy Omnipresent and Omniactive immortal Godsnature.

All churchies of the modern Absolutely international religion suppose to contain 3 picturies — First picture of the Sun, Second picture of the Planet Earth (Emblem), and third picture of flowers — Godsnature, because the Sun is real and true God of our harmonic solar complex, the Planet Earth is Real and true Goddess of mankind, and Godsnature is real and true immortal mediator between Sun and Earth. According to the modern Absolutely international religion, mankind suppose to make up with praying, music, sings, dance, speech and declamation of love, respect, and thanks every-year three Holidays — festivals upon Earth:

First Holiday to the Cosmic most Holy and most powerful Divine Providence of Almighty God — the Creator, somewhere likely at end of December, whereas peoples can pray for good health, good harvest, happy New Year and so on.

Second Holiday to the Supernal Holy a child of God — immortal Goddess Earth, somewhere likely at end of October. At holiday of Goddess Earth all manhood of our planet suppose to kiss Mamma Earth.

The third Holiday to the Supernal Holy immortal Godsnature, somewhere likely at end of May. Let truth, peace, freedom of progress, advance and prosperity to ring on Earth. Long live freedom and independence of all nations!

All problems between nations must be, and can be easily solved honestly and peacefully.

For continuation of recent brutal civilization of ungodly hegemony on Earth, Cosmic Divine immortal Trinity

oftentimes delivered to mankind punishment of miserable harvests, spontaneous calamitys, and others punishable phenomena, include global great ice age.

By improvement and using of mortal Arms — mankind can die. Damn it! By improvement of worlds-wide civilization by free critic and intellectual fighting for advancement — mankind can attain perfection of life.

The author of this modern theory is an innocent victim of the Worlds War Second, and for such reason author to curse wars upon Earth.

God bless future when all nations can really live in peace on Earth.

Long live devout globalism and universalism.

The modern Absolutely international religion is main idea to make the World safe and prosperovs.

In the name of Most Holy and Most Powerful Cosmic immortal Trinity, we guaranty everybody and all, that love, respect, trusting and praying to the Lord God, Goddess Earth, and Godsnature never be a selffraud, or “good-for-nothing”. We present this modern scientific truthful theory of the modern Absolutely international Religion to the Mankind wish one fair aim only: — to nullify wars upon Earth.

We heartily apply to all nations, please, to love, respect, trust, pray and prise the Most Holy and Most Powerful cosmic immortal Trinity, and with love, respect, trust, praying and praise, please, thanks to the Lord God Almighty, Goddess Earth and Godsnature.

Long live peace upon Earth and Cosmos too!
Amen.
